

IN THE DRAWINGS:

In response to the November 16, 1999 Notice of Draftsperson's Patent Drawing Review, Applicants submit herewith replacement drawing sheets 1-14. Originally filed Figures 1 –20 have been amended to replace informal Figures with formal Figures. Applicants respectfully request entry of the formal drawings provided on the replacement sheets submitted herewith.

Attachment: 14 Replacement Drawings Sheets

IN THE DECLARATION

Responsive to the Examiner's September 11, 2008 telephone request for correction of the address of Applicant 1, Raman Arunachalam, a Supplemental Application Data Sheet is submitted herewith. The Supplemental Application Data Sheet corrects Applicant 1's city of residence to be Freehold.

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Applicants believe that the record of the prosecution as a whole, including Applicants' specification and claims, provides additional reasons for allowance. The Examiner's Reasons for Allowance do not necessarily state all the reasons for allowance or all the details why the claims are allowed and, therefore, should not be used to interpret the scope of the claims in place of the record of the prosecution as a whole.

REMARKS

Prior to payment of the Issue Fee, Applicants respectfully request entry of the replacement drawing sheets and correction of the city of residence of Applicant 1, Raman Arunachalam. No new matter has been entered.

Applicants thank the Examiner for the courtesies extended during a telephone interview with Applicants' representative on September 11, 2008. Further to the telephone interview, Applicants submit a Supplemental Application Data Sheet correcting the city of residence of Applicant 1.

If the Examiner believes that there are any unresolved issues requiring adverse final action in any of the claims now pending in the application, it is requested that the Examiner telephone Mr. Michael Bentley at (732) 383-1434 or Mr. Eamon J. Wall, Esq. at (732) 530-9404 so appropriate arrangements can be made for resolving such issues as expeditiously as possible.

Respectfully submitted,

10/7/08

E. J. Wall
